***The Washington Post* has described PA 7th Congressional District as one of the “worst Gerrymandered Districts” in the nation.**

If after viewing this list, you are still unsure if you are in the 7th District, go to house.gov. Put in your zip code, if Pat Meehan’s picture comes up, you are in the 7th. If you see his picture and another Congressperson, you are between two districts; and you need to fill in your full address.
